After click on profile

A hand-drawn UI mockup of a user profile form. At the top left is a hamburger menu icon. Below it is a circular profile picture placeholder. Underneath the placeholder are the labels: First Name, last Name, NID, Mobile, and Email. At the bottom right of the form is a rectangular button labeled "Edit".

After click on Time Table

A hand-drawn UI mockup of a "View Time Table" screen. At the top left is a hamburger menu icon. Below it is the title "View Time Table". Under the title are three rows, each with a label and a dropdown menu (represented by a rectangle with a vertical line on the right): "Arrival", "Departure", and "Date". Red arrows point from the text "Drop down" to the first two dropdowns, and from "Datetime Picker" to the third. Below these is a table with the following structure:

Date	Time	Arrival	Departure

A red arrow points from the text "Date Grid view" to the table.
